Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicant's representative argued that the support for claim 44 could be found in Fig. 5c. Examiner disagreed because nowhere in Figure 5c and disclosure of the originally filed US application discloses that A, Atot representing area and total area, respectively. Applicant argued that the support for the meaning of A, Atot could also be found in original priority document and proposed to submit english translation regarding the meaning of A, Atot in the original priority document. Examiner agreed to reconsider upon receiving such english translation. Applicant also argued that the support for claim 45 could be found in Fig. 2 and claim 33. Examiner requested applicant to explain the definition of the claimed absolute filling height.
